Mar 11, 2018 What would be the best way to update the maps in my RNS 315 to V4? I have the new maps at my dealer but .
Nov 21, 2018 Sorry for the delay, The "update" is pretty much a new SD card with the latest. I guess there's a local official dealer that I can get maps from, or an. Feb 13, 2016 I've heard on these forums and at other dealerships that in order to update the maps on the . RNS315 Step by Step - How to Update Map to 7.4 Mar 10, 2018 If I put map update for my RNS 315 (v.5) on an sd card, will I lose the ability to update the map software . A: I don't know how you do it but you have a manual that explains how to update map on your vehicle. You will need an official card from your dealer (Im not sure about an RNS card as RNS 315 was the first model to have an official update, I think there are other RNS units). You can find this manual (for RNS315) here We had this same problem as you so I posted a question here on VWTA forums that might be helpful: How to update the maps on RNS 315? In that thread you will find 2 possible solutions and 3 workarounds to successfully update the map on your device. Workaround #1 Backup the map on the SD card. Place the official SD card. Run the navigation. Choose your maps to update. Workaround #2 Backup the map on the SD card. Place the official SD card. Run the Navigation. Insert a blank SD card. Save and exit. Put the new map on the SD card from the beginning and save. Workaround #3 Go to a licensed service center that is able to update the maps on your RNS. Usually the service centers do a "map renewal" on your device. 8.20 ± 5.55 0.066 Apo A1(g/L) 1.42 ± 0.33 1.58 ± 0.35 f678ea9f9e
